Event Planning & Equipment Selection

From basic meeting support equipment to projection, concert sound and stage lighting, Swank Audio Visuals offers the finest professional meeting convention and trade show services available. We work closely with the Hotel Contessa team to assist in planning for your events, and we will help you choose the right equipment for each location and situation. Swank Audio Visuals is dedicated to making your meeting successful.

Professional Technical Assistance

We employ an experienced staff of professional technicians trained in all aspects of projection, video, audio, and lighting. Our technicians check every meeting room before the start time and periodically throughout the day to ensure that everything meets your satisfaction. A dedicated in-room technician is recommended for meetings with extensive or specialized equipment.

Equipment Setup

All packages include charges for the delivery, set-up and pre-testing of equipment, including the safety tape-down of cables and the pack-up and removal of equipment at the conclusion of your event. All equipment will be set an hour before the event start time unless otherwise specified.

Additional charges may apply for the addition of equipment or the setup/technical assistance for equipment not provided by Swank Audio Visuals.
